HAKKIMIZDA

3 kuşaktır ticaret hayatına devam eden Güldeniz Tekstil Sanayi ve Ticaret Limited Şirketi 1974 yılında tekstilin kalbi Eminönü Sultanhamamda çalışmalarına başladı. Dokuma kumaşı ülkemize tanıtan marka olma hedefiyle, ilk ticaretini 1974 yılında gerçekleştirdi.

1992 yılında parkurunu genişleterek iç piyasa ile dünyaya açılan Güldeniz Tekstil birçok dünya ülkesi ile ticaret yapmaya başladı. Ayrıca sektördeki gelişmeleri dikkatle izleyerek kalite standartlarını iyileştirmeye başladı. Yine 1992 yılında Bayrampaşa'daki yeni üretim tesisine taşınarak üretim kapasitesini ve parkurunu yenilemiş oldu. Kaliteli ham maddeden kaliteli ürün elde edileceği gerçeğine dayanarak, 2.000 m2 kapalı alana sahip fabrikamızda her zaman en iyi ham maddeleri toplayarak nitelikli iş gücüne sahip olmak için çalışmalarımıza devam ediyoruz.

Toplumsal sorumluluk ve etik değerlerimize aykırı hiçbir faaliyet içerisinde yer almadan; dinamik, öncü, uluslararası kalite standartlarına dayalı bir sistem anlayışını sürdürmek için gerekli olan proaktif yeteneklerini sürekli geliştiriyoruz. Müşterilerimiz, çalışanlarımız ve ortaklarımızın çıkar ve mutlulukları kadar, topluma ve çevremize karşı olan sorumluluklarımızın da hassasiyetle gözetildiği bir yönetim anlayışı ile sektörde global ölçekte lider bir kuruluş olabilmek için çalışıyoruz.

Daima köklü bir aile gibi karşılıklı güven, saygı, katılım, adalet ve iş birliği esasıyla çalışmak tüm Güldeniz Tekstil çalışanlarının performansları dışında herhangi bir farklılık gözetilmeden çalışmasına, yükselmesine, gelişmesine sürekli olarak fırsat vererek ailemizin güvenilirliğini, sıcaklığını, keyfini yaşamak ve yaşatmak esas hedeflerimizden birisidir.

Continuing its business life for 3 generations, Güldeniz Tekstil Sanayi ve Ticaret Limited Şirketi started its activities in Eminönü Sultanhamam, the heart of textile, in 1974.

It carried out its first trade in 1974 with the aim of being the brand that introduces woven fabric at our country.

Güldeniz Tekstil, which expanded its track in 1992 and opened to the world with the domestic market, started to trade with many countries of the world. In addition, it began to improve quality standards by carefully following the developments in the sector. Again in 1992, it moved to its new production facility in Bayrampaşa and renewed its production capacity and track. Based on the fact that quality products will be obtained from quality raw materials, we continue our efforts to have a qualified workforce by always collecting the best raw materials in our factory with a closed area of 2.000 m2.

Without taking part in any activity contrary to our social responsibility and ethical values; We are constantly developing the proactive capabilities necessary to maintain a dynamic, pioneering, system understanding based on international quality standards. We strive to become a global leader company in the sector with a management approach in which our responsibilities towards the society and our environment, as well as the interests and happiness of our customers, employees and partners are carefully considered.

One of our main goals is to work with the principles of mutual trust, respect, participation, fairness and cooperation like a long-established family, and to live and enjoy the reliability, warmth and joy of our family by constantly giving opportunities to all Güldeniz Tekstil employees to work, rise and develop without any difference other than their performance.

Продолжая деловую жизнь в течение 3-х поколений, Güldeniz Tekstil Sanayi ve Ticaret Limited Şirketi начала свою деятельность в Эминону Султанхамам в 1974 году, в сердце текстильной промышленности.

Он осуществил свою первую торговлю в 1974 году с целью стать брендом, которая представляя ткани в нашей стране.

Güldeniz Tekstil, расширившая свою деятельность в 1992 году и открывшая миру внутренний рынок, начала торговать со многими странами мира. Кроме того, компания начала улучшать стандарты качества, внимательно следя за развитием отрасли. В 1992 году он снова переехал на новое производственное предприятие в Байрампаше и обновил свои производственные мощности и пути. Основываясь на том факте, что качественная продукция будет получена из качественного сырья, мы продолжаем наши усилия по созданию квалифицированной рабочей силы, всегда собирая лучшее сырье на нашем заводе с закрытой площадью 2.000 м2.

Не принимая участия в какой-либо деятельности, противоречащей нашей социальной ответственности и этическим ценностям. Мы постоянно развиваем активные возможности, необходимые для поддержания динамичного, новаторского системного понимания, основанного на международных стандартах качества. Мы стремимся стать мировым лидером в отрасли с подходом к управлению, при котором тщательно учитываются наши обязанности перед обществом и окружающей средой, а также интересы и счастье наших клиентов, сотрудников и партнеров.

Одна из наших главных целей - всегда работать на принципах взаимного доверия, уважения, участия, справедливости и сотрудничества, как устоявшаяся семья, и жить и наслаждаться надежностью, теплом и удовольствием нашей семьи, постоянно предоставляя возможности всем. Сотрудники Güldeniz Tekstil работают, растут и развиваются без каких-либо различий, кроме их производительности.
